Our payment system is only set up for whole dollar amounts!
If your tuition is not a whole dollar amount, you must add a partial dollar amount in the “donation box” which is located at the bottom of the billing and shipping information page.
When you check out, your bottom line amount will be reflected properly in the total amount you are paying.

Enter your billing information and then click “Submit Information” – You will land at the secure billing page where you will finalize your customer billing information.....
