

Dear Impact Families,

With the recent developments from the Presidents press conference on Friday and the Governors conference yesterday, with consideration of further details from the CDC/ World Health Organization, ***Impact Dance of Atlanta will be CLOSED for the next two weeks (3/16 - 3/28).***

This was a very hard decision to make, but one we feel is best for our dancers and their families at this time. If we can do our part in “flattening the curve” and help keep everyone healthy, then we most certainly want to do so. The health and safety of our dancers and those they come in contact with, is of utmost importance to us at Impact.

With that said, we will be offering 3 hours of classes per day VIRTUALLY through ZOOM conferencing. We want to help our dancers stay busy and active during this time. You will still get LIVE teaching instruction and be able to interact with both your instructors and dance friends from the comfort of your home. So let's put on our dance clothes, find an open area in our home, grab your computer or phone, and click to join your virtual class.

In order to access this FREE service, you will need to download the ZOOM application. You can also use this service from either Chrome or Mozilla Firefox Browsers, but we recommend you download the app for a better experience.

Communication is key during this time. Sometimes our emails are not delivered properly and/or may be missed. Please be sure to follow us on Facebook if you have access to social media. This is just one more way to make sure we get the word out to everyone as quickly and effectively as possible. The office will be available for you through email only the next two weeks.

Thank you for your patience and understanding as we all navigate through the days/ weeks ahead together. God is GOOD and HE is in control!!

***For God has not given us a spirit of fear,
but of power and of love and of a sound mind.
2 Timothy 1:7***

Much love and many prayers,
Jenna and Noah Lucas
